Jennifer Moreau
Instructor/Evaluator

Lift Equipment

Card ID# 1159817

Issued: 09/19/23

Hudson Bay Insulation

Expires: 09/18/26

DISCLAIMER: Has satisfactorily completed the applicable "Train the Trainer" Workshop or Webinar as indicated on the front of the card. This instructor/evaluator training, topics and training materials provided, along with a combination of holders prior experience and knowledge will assist employers in complying with the "qualified instructor/evaluator" requirements to provide internal training and evaluation of their employees as prescribed by selected State Regulations, ANSI/ASME, Federal OSHA, EM385-1-1 and the provisions therein as of the issue date.

This card makes no claim as to current or prior operating skills, experience, or prior knowledge of the holder as it is the employer's responsibility to deem them as competent and qualified. This holder is authorized by OVERTON Safety Training to use this training program and materials only for their internal training of their company employees. Using any or all of this program or materials for fee-based training without prior contractual approval by OVERTON Safety Training, is strictly prohibited.
